

# POSTER / DISPLAY PRINTING

University Print & Mail Services can help make your next presentation, conference, research project, or printed display memorable with large format prints. Our in-house wide-format and flatbed printers can print posters, signs, banners, and gallery wraps on a variety of sizes and materials.

## OUR SERVICES

- Our flatbed printer allows for prints on nearly any material
- Don't be a square—we can give your large format prints a shape with contour cutting
- Finishes such as special coating or lamination
- Display options such as grommets, frames, and stands

## A GLIMPSE OF SOME LARGE FORMAT PRINT OPTIONS

- Vinyl or mesh banners
- Wall graphics and stickers
- Window clings and lettering
- Canvas gallery wraps
- A-frame signs
- Foldable fabric posters
- Floor decals
- Yard signs
- Acrylic, aluminum, PVC/  
polystyrene, and foam boards

## POSTER MATERIALS TO FIT YOUR NEEDS

- Fabric posters are wrinkle resistant and can fold to fit in a purse or backpack for easy transportation
- Paper posters can be mounted on foam boards
